Where Do They Go To?

Where do they go to, the people who leave?
Are they around us, in the cool evening breeze?
Do they still hear us, and watch us each day?
I'd like you to think of them with us that way.

Where do they go to, when no longer here?
I think that they stay with us, calming our fear
Loving us always, holding our hands
Walking beside us, on grass or on sand.

Where do they go to, well it's my belief
They watch us and help us to cope with our grief
They comfort and stay with us, through each of our days
Guiding us always through life's mortal maze.

Reflections

I want to leave you something.
Something much better than words or
sounds. Look for me in the people
I've known and loved or helped
in some special way.

Let me live in your heart as well as
your mind. You can love me most
by letting your love reach out to our
loved ones. By embracing them
and living in their love.

Love does not die, people do.
So, when all that's left of me is love,
give me away as best you can.
